

AABIP 2025: How to upload your Procedure Video for abstract submission to VIMEO?

Step 1: Access VIMEO and create an account or log into your existing account

<https://vimeo.com/>

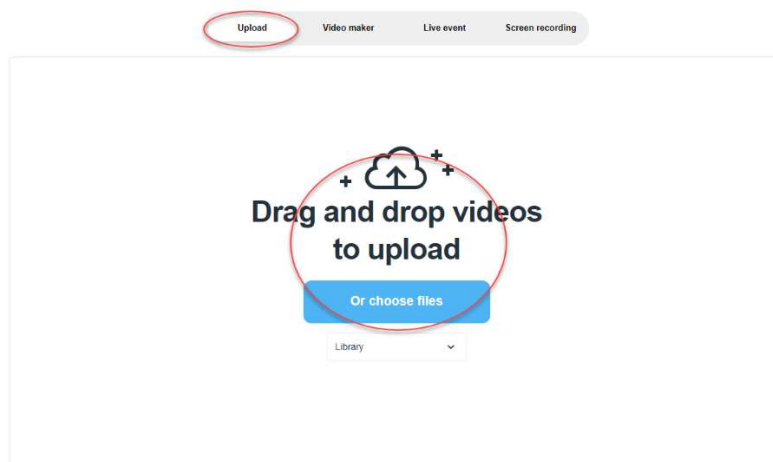

Step 2: Select "New Video" and then "Upload" from the upper right corner of your screen.

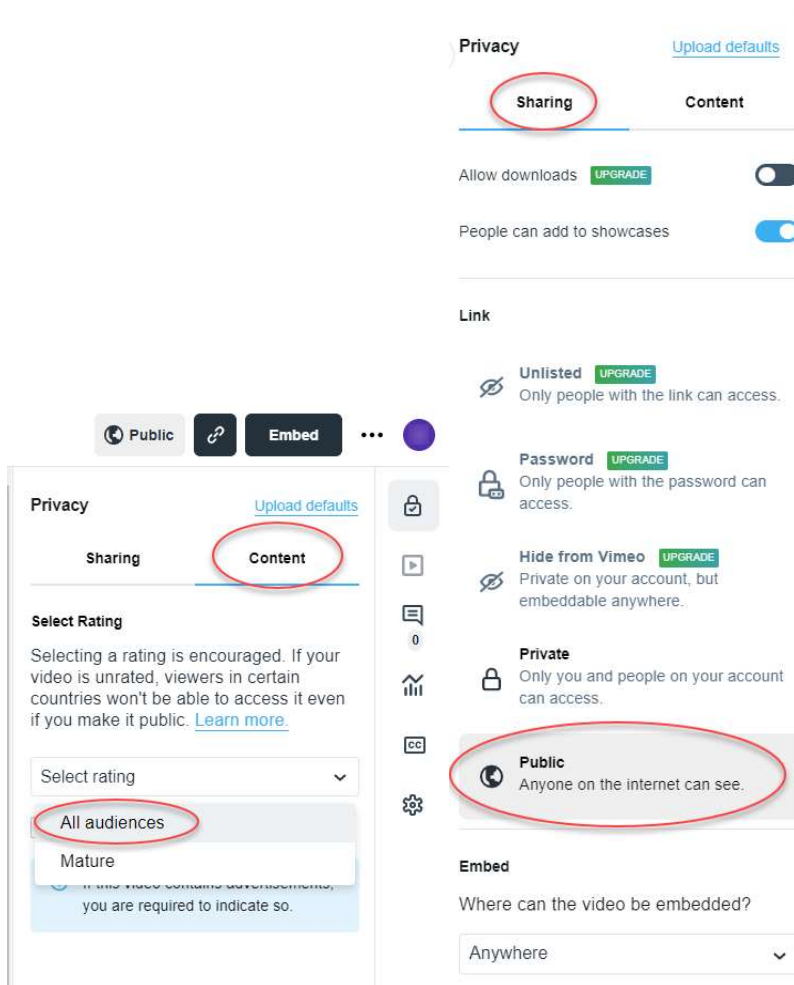

Step 3: Select the video you wish to upload

**Please ensure that the film is created following the Procedure Video Submission Requirements for the AABIP 2024*
[Abstract Submission General Information | AABIP 2025](#)

Step 4: Set up the video for sharing

*Please ensure that the Privacy settings – Content are adjusted to “All audiences”. Under Sharing, please select “Public” for the Link Settings and “Anywhere” for the Embed Settings

Step 5: Copy the link and paste it into the specified field within the abstract submission site

*Please note – a way to test whether the video is properly set up for public access is to open the link in an incognito window of your browser.

Abstract Submission site:

Please contact AABIP_abstracts@kenes.com if you have any questions about the submission requirements.

Thank you for your procedure video submission!
